PRICING & POLICIES

Please be sure to order your cookies early as my calendar fills up quickly! I can only accept a set number of orders per week.

Ordering

There is a minimum two week lead time for placing an order. To be sure I can accommodate your request be sure to email me - **your order is not placed until a quote has been given and payment is confirmed.**

Each cookie order is made over a two to three day period - one day for mixing, cutting, baking. One day for decorating. And the third day for additional details (if needed) and dry time (at least 8 hours). I bake as close to your needed date as possible. Once your cookies are bagged up, they'll stay beautifully fresh for up to two weeks. I'll have them to you within just a few days of baking.

Minimum order is 1 dozen. Because my cookies aren't sold individually for immediate consumption, I do not need to collect Colorado sales tax. Prices are subject to change at any time.

Orders are First Come, First Deposit/Payment, First Served.

Allergies

My cookies contain wheat, milk (butter), and egg. Though my basic sugar cookies do not contain nuts, they are baked in a kitchen that does use nuts as an ingredient. Some of my ingredients are prepared and packaged using machines that may come into contact with Wheat/Gluten, Eggs, Dairy or Dairy Products, Peanuts, Tree Nuts and Soy.

Pricing

Please note: the chart below is a general guideline. Cookies don't fit neatly into size categories. Prices depend on both size AND complexity of design/personalization. For a quote that is specific to your unique cookie order please fill out an [order request form](#) or send me an email at hello@sugarsensation.com.

Shipping & Local Pickup

Local Pickup:

Cookies are available for local pick up, by appointment (usually Friday mornings) at my local address in Monument, CO. Once your order is confirmed I will give you the location for pickup.

Shipping:

Individually bagged and sealed cookies may be shipped anywhere within the continental US. Only sturdy shaped cookies are available for shipping. Once I receive your order request, I will include a quote for shipping along with your cookie quote. My preference is Fedex for shipping, but they are a bit more expensive. I can also use USPS at your request.

Payment

Your cookie order is not placed until all details are worked out and a non-refundable 50% deposit or full payment is received.

Payment may be made by personal check or credit card. Credit cards are processed securely online through Wave. You'll receive an email invoice from me once your order is confirmed.

If ordering months in advance, a deposit will be taken with the final balance due two weeks prior to pick up/shipping.
